

# MY TITHING PROFESSION

Lord, I profess that You have  
delivered me out of the  
kingdom of darkness and  
made me a part of Your kingdom,  
Your body – the church;  
that You have brought me  
out of lack into abundance,  
and I bring to You the first fruits  
of all that You have given me.  
I rejoice in every good thing  
that You have provided,  
and I worship You.

I have brought the holy tithe out  
of my house here to Your house and  
have not used any of it for myself.

I have listened to Your voice,  
obeyed You, and have not ignored  
any of Your commandments;  
therefore, look down now from  
Heaven and bless us in abundance.

I publicly declare this day that  
I am one of Your people,  
and You, Lord, are my God.

Thank You, Lord, that because  
I am a tither, You rebuke the  
devourer for my sake, You open  
the windows of Heaven,  
and pour out a blessing.  
Thank You that my barns  
are filled with plenty,  
and my vats are running over.

Thank You, Lord, that You have  
received my tithes,  
and I received Your blessing  
by faith in Jesus' name.
